**Reference Letter**

The technical consultant, Mr. Constantin Tistea of Costyedil Srl has been commissioned by our company Woodtek, Taiwan and Singapore, for the technical consultancy of the assembly of some important works with the CLT structures made by us in Taiwan, Singapore, and in Maldives. (Anping Residence (the first X-RAD project), Eunoia Junior College Block A, Patina Island Resort, and etc.) The consultant has demonstrated the ability to plan and control the works in harmony/ coordination with the designer and the manufacturer: Preparation of the construction site to ensure the best standards in terms of speed and maximum safety for all operators. Realization and finishing of the works in perfect working order, considering the techniques and materials most suitable for the specific case (analysis of the ecosystem where it is built). Verification of compliance and adequacy of one's work with the general rules of good construction and with the particular and exclusive ones of conscious planning.

During the course of the aforementioned working relationship, he demonstrated excellent organizational and relational skills and a strong aptitude to work in a team, as well as in perfect autonomy. He was always punctual, dedicated to work, reserved and attentive. He showed great learning and problem solving skills.

For this reason, I hereby certify the references and remain available for further clarifications.
